Class start date: _____

You may withdraw from the school at any time after the cancellation period and receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through your last day of attendance. Any refund will be made within 45 days after your withdrawal and will be less the course registration fee, less the STRF fee, less tuition through your last day of attendance, less the prepaid online course access fee, less equipment not returned in good condition (textbook/workbook not marked or highlighted), less course materials used in class, and less the prepaid liability insurance fee. If the student has completed more than 60 percent of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.
